

Polar Bites® is a delicious new ice cream sensation from the world leader in cryogenic ice cream manufacturing ... Mini Melts Inc.

Our **convenient packaging** (including spoon!) is so innovative we have a patent pending with the United States Patent and Trademark Office.

Utilizing the latest in **slow melt** technology, Polar Bites has developed an ice cream that not only uses regular freezers, but also **tastes great**. Try for yourself... no other regular temperature product compares!

Our world class manufacturing facility with a multi-million gallon capacity allows us to have extremely **competitive pricing**. Please contact us for details.
